

Dear Jimmy,

Surprise, surprise — I actually am writing to you. If this letter seems a little messy it's because I am also "relax-icizing" — good girl, huh. I do try to use it alot, but I plan to be more consistent in the future.

Anyway, it's too bad that I didn't get to see you much last weekend. I guess mid-terms are before Thanksgiving so I probably won't have much for you to do — except of course to listen to my many fears, worries, & complaints!!

It seems that Mail didn't manage to get a

date last nite & I'm afraid
I didn't study either !!
Hugh Klopfenstein came over
for a few minutes (WSU
football player → ex-Summer
fing !!) & he was supposed
to come back later.

Naturally, I just waited
all nite & typically enough
he never showed. I can't
tell you how much I hate
UNRELIABLE people —

the big creep / Boy, I'd
rather see him before
he goes back tomorrow.
He got hurt in the last
game so he's out for a
week or so.

Tonite I'm going to
a Phi Delta Kegger which
should be funny since

I totally despise beer.
I'm gonna with this real
raunchy looking guy that's
a Senior. I know him
from High School though &
he's really neat under-
neath the disguise so
I think it will be fun.
I had another coffee
date with old Phil yester-
day. He didn't ask me
out, but will he ever
give it up?!

At this point I am
sufficiently disgusted with
men so I'll be content
to just put up with Greg
the next 2 or 3 week-
ends!!

Believe me, Jimmy, I
know just how you feel

at OSU. — but just try not to let it get to you. We can do some fun things at Thanksgiving. Just remember, I'm not real thrilled about school either, as you well realize. I'm sure.

I've been semi-trying to study but I still find it so hard to concentrate. Oh, if you get bored or get the urge to do something, I would appreciate it if you could write some simple sentences using my words to define for history. I'll be happy to define them but it takes me too much time trying to think of sentences for each word. Next week

the first ten on the list.
will be due (10 every
week). So, if you feel like
it just write ~~short~~ ^{for} sentence ~~using~~ each word
with the word in it.

Anyway, I really gotta
stop now but I'll keep
ya posted on how every-
things going. Write when
you get a chance, O.K?!
Bye for Now

Love,
Gail.

P.S.
Daddy bought me a new
desk so I'll have some-
place to study!
